

SureTec Announces Promotions in Underwriting/Risk Management

Leadership appointments support the company's growth trajectory.

([PRWEB](#)) April 07, 2016 -- [SureTec](#) is pleased to announce that Executive Vice President Bob Cave has been named Chief Risk Officer for SureTec. Bob has served as the Chief Underwriting Officer for SureTec Insurance Company since January, 2002 and has been instrumental in building SureTec into one of the Top 20 surety companies in the country; one with a record of continuous profitability.

SureTec is also pleased to announce that Vice President Lindey Jennings has been named Chief Underwriting Officer. Lindey joined SureTec in May, 2004 as a Senior Underwriter in Austin and later became Branch Manager while supporting home office underwriting functions. Bob Cave commented, "Lindey has continuously demonstrated leadership among his underwriters, agents and co-workers. That leadership will produce very favorable underwriting results."

John Knox, President and CEO of SureTec said, "These two promotions demonstrate SureTec's commitment to underwriting consistency and our continued focus on leadership for the future. We are proud to announce these two well-earned promotions. Bob's 45 years of experience in the surety business, and Lindey's 26 years of experience provide continuity of our underwriting leadership. Our people are our best assets."
